

2025 Golf Club Memberships

SADDLEBROOK *Golf Club*

At Saddlebrook, we take pride in being a privately owned golf community that is open to the public. Our unique approach blends the accessibility of a public course with the camaraderie and personal touch of a true club. We offer year-round "memberships," providing golfers with the opportunity to enjoy a welcoming, casual atmosphere where the staff and players form a close-knit community. At Saddlebrook, we are more than a golf course—we are a place to connect, play, and belong.

2025 Membership Frequently Asked Questions

Q: How do monthly memberships work?

Monthly memberships allow you to pay for an annual membership across 12 months. The first month is pro-rated for the remainder of the current month, and then the full monthly fee is charged on the 1st of each month for the next 12 months. Please note that monthly memberships are not eligible for any discounts or special offers. A payment contract is required when you sign up.

Q: How do I activate my membership?

To get started, simply complete a membership application in the clubhouse and sign a contract. Once you've agreed to the terms and paid the fee, your playing privileges will begin! Memberships may also be purchased online when paid in full.

Q: Are taxes included in the membership price?

The advertised membership price does not include taxes. A 7% sales tax will be added at checkout.

Q: Can I cancel my membership or get a refund?

Unfortunately, memberships are an annual product that is non-refundable and cannot be canceled after purchase. With written permission from the General Manager, memberships may be transferred between individuals under certain circumstances.

Q: What's the difference between a Full Membership and a Weekday Membership?

With a Full Membership, enjoy unlimited access to the course every day of the week, including weekends. If you are a walking member, you may need to rent a golf cart on weekends before 1:00 PM. Weekday Memberships permit play on weekdays only (Monday to Friday). Weekend play is not included.

Q: Do you offer any discounts for seniors or appreciated groups?

Yes! Seniors, young adults (ages 18-29), and first responders or military members are eligible for a 20% discount on memberships when paid in full, up to \$400. Discounts not available for online membership purchases.

Q: Does the 10% returning member discount stack with the senior/appreciated groups discount?

Yes! The 10% returning member discount can be combined with the senior/appreciated groups discount, allowing you to take advantage of both offers.
